

Moonlight Gray Sand

Stone Pattern

Seperti riak gelombang air, teksturnya membentuk cekungan dan tonjolan, seolah ada hembusan angin yang melintas. Di kedalaman riak tersebut, detail yang dikerjakan dengan cermat menambah lipatan halus dan secara hidup menggambarkan aliran serta penyebaran gelombang air.

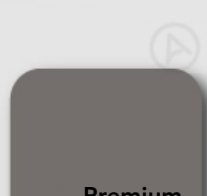

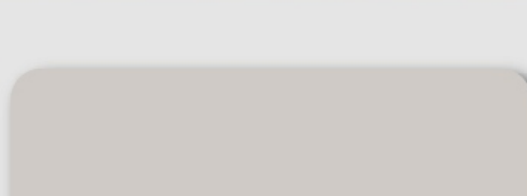

Like the ripples of water waves, the texture is concave and convex, as if there is a breeze around. In the depths of the ripples, the ingenuity adds wrinkles and vividly depicts the spread of water waves.
